

Capstone Assessment

PRESENTATIONS

- **Challenges and Successes: Using Capstones for Program Assessment**

Dr. Marjorie Dorime-Williams, Dir. of Academic Assessment, Baruch College
Mr. Matthew Gulliford, Academic Program Specialist, School of Public Affairs,
Baruch College

The presenters will discuss the assessment of a Master's program using a capstone course assignment. The focus is on the challenges of developing assessment tools, how to implement program assessment with a capstone course, how online assessment tools can help, and areas of growth and improvement.

- **The Role of Capstones in a Community College Setting**

Prof. Andrea Francis, Dept. of Business & Technology, LaGuardia Community College
Prof. Hector Fernandez, Dept. of Business & Technology, LaGuardia Community College

The presenters will discuss the evolution of the capstone course in the Accounting and Paralegal Programs at LaGuardia. Topics are the need for the course, how it is used to assess program learning objectives, the use of ePortfolio, and challenges in creating and implementing a capstone course in the community college setting.
