PURPLE PEERIOD PROJECT

The Purple Peeriod Project provides students with free menstrual products and condoms! **You can find distribution dates highlighted on the calendar below in yellow.** We will be at the counters near the vending machines on the third floor of Hunter North at 12 PM until supplies last.

Pads and tampons are also available in female and gender neutral restrooms when the campus is open. You can also find them in TH 201 and TH 202 during regular business hours.

WOMEN'S HISTORY MONTH

For Women's History Month, Hunter USG wants to highlight women who are Hunter students, faculty or staff doing their part to uplift Hunter's community. If you know someone (or are someone) who should be highlighted, use the form below to tell us more!

While we celebrate WHM, USG would like to state that while the historical definition of who a woman is can be narrow, we want to express that anyone who identifies as a woman is welcome to send in their submission/nomination. Your identity is your own, and we celebrate any individual who finds some meaning in identifying with womanhood in the present or in the past.

Please send submissions at bit.ly/hunterwhm before Monday, March 20 at 11:59 PM EST.

SUBMIT TO OUR STUDENT RESOURCE GUIDE

USG is compiling a guide of resources on and around campus to distribute to students. We'd love to hear from you about your favorite resources!

Use the form below to submit resources you think may be useful for students in their categories. If your suggestion does not fit in any of the categories, please put them in the "Other" category.

Submit resources at bit.ly/hunter-resources.

PROMOTE YOUR SIDE HUSTLE

Do you have a side hustle that you'd like to promote/advertise - a small business, a blog/channel/specialized social media account, or an organization that you founded?

We want to assist you in increasing your visibility and exposure. If you have any of the above that you would like to promote please fill out this form and we will be in contact shortly regarding planning an advertising event.

We look forward to helping you promote your hard work!

Submit your side hustle at bit.ly/hunter-sidehustle.

a panel for Studio Art Majors, BFA, MFA, Alumni, Artists, and Friends

CANDID ADVICE FROM INDUSTRY EXPERTS ON **HOW TO PREPARE FOR A LIFE IN THE ARTS**

It's a gigantic leap to go from art student to working artist. Based on input from recent graduates of art programs, this event is designed to help you make this leap with greater confidence and ease. What can you expect and how can you prepare for the uncertainty and labyrinth that awaits you? How do you create a supportive community, learn about residencies, meet gallerists, journalists and influencers while doing your work and earning a living? How do you stay sane and focused as you begin to make your way in the so-called art world? Seats are limited! Please click here to RSVP and submit questions for the panelists before the event.
