WOMEN'S HISTORY MONTH

For Women's History Month, Hunter USG wants to highlight women who are Hunter students, faculty or staff doing their part to uplift Hunter's community. If you know someone (or are someone) who should be highlighted, use the form below to tell us more!

While we celebrate WHM, USG would like to state that while the historical definition of who a woman is can be narrow, we want to express that anyone who identifies as a woman is welcome to send in their submission/nomination. Your identity is your own, and we celebrate any individual who finds some meaning in identifying with womanhood in the present or in the past.

Please send submissions at bit.ly/hunterwhm.
