

DOLCIANI MATH LEARNING CENTER HAPPENINGS

NOVEMBER 17 – DECEMBER 5

What is the Dolciani Math Learning Center? It's a comprehensive support Center for those wanting to do well in their math, stat, or QR course. There is tutoring, practice problems for your course, tutorial DVDs, computer tutorials, textbooks, study tables, workshops, academic coaching, study skills tips, etc.

Successful students come early in the semester, come often, and come consistently.

Why should I go there? Math is easier to learn and retain when you work with another person. **The Center is not only for those who need assistance, but also for those who are doing well** and want to work with others in their class. Those who used the Center state that it definitely helped them get a better grade.

Where is it? It's located in the 68th Street Library on the 7th floor.

What hours is it open? Mon - Thurs 9:00am – 8:00pm, Fri 9:00am – 5:00pm both onsite and virtual, and Saturday from 9:00am – 5:00pm virtually only. To participate in our virtual hours go to our website www.hunter.cuny.edu/dolciani and click on ***"Enter the Virtual DMLC."***
