*date* 10 September 2012

*project* **Hunter College Library  
third floor renovations**

*to* James Gleba  
Director, Construction Services  
The City University of New York

*cc* Vivek Desai  
Senior Project Manager  
R.C. Dolner Construction

*from* Calvert Wright Architecture PC

*attached* **Bulletin no.1**  
revised/new drawings and specifications dated 10 September 2012 as itemized below.

*remarks* Please submit an itemized quotation for changes in the Contract Sum and/or Time incidental to proposed modifications to the Contract Documents described below and attached hereto.

This is neither a change order nor a direction to proceed with this work.

## **title sheet**

**T-103.01**, title sheet

- note itemization of revised and new drawings; sheet numbers for reissued drawings have been appended with an .01 suffix

## **architectural plans**

**A-103.01**, construction plan; **A-113.01**, setting out plan

- note framing and partition changes indicated at areas including the library entries and study center entry.
- note new acoustic wood wall and ceiling finishes indicated.

**A-123.01**, reflected ceiling plan; and **A-133.01**, reflected ceiling panel layout plan

- note new finishes indicated at ceiling canopies above service desks.
- see new and revised sheetrock soffits and associated finishes and details.
- see revisions indicated to light fixture quantities, types and locations.
- note revised ceiling panel layouts at new soffits.

**A-153.01**, furniture and equipment plan

- see new/relocated casework at study center area.

**A-163.01** and **A-173.00**, finish plan and resilient flooring layout plan

- note new finishes and finish specifications indicated. New finishes include acoustic wood wall and ceiling paneling. Revised finish specifications include updated resilient flooring colors.

**architectural elevations**

**A-203.01**, and **A-213.01**; 1/8" interior sections

**A-303.01**, and **A-323.01**; 1/4" interior elevations

- note areas with revised wall and ceiling finishes indicated.
- note areas revised to reflect framing and partition changes.

**architectural plans and elevations, enlarged**

**A-403.01**, and **A-413.01**; welcome desk plans and elevations, and

**A-423.01**, and **A-433.01**; circulation and reserve desk plans and elevations, and

**A-443.01**, and **A-453.01**; reference desk plans and elevations, and

**A-493.01**, elevations at bridge and coffee kiosk

- note areas with revised wall and ceiling finishes indicated; canopies above service desks are to be finished in acoustic wood wall paneling.
- note revisions to framing at entry to study center.
- note additional lighting at canopies and see new wood ceiling panel details.

**architectural details**

**A-503.01**, partition types

**A-513.01**, ceiling details

**A-533.01**, details at whiteboards and display cabinets

**A-543.01**, base details and induction unit details

**A-553.01**, details at entry partition and coffee bar

**A-573.00**, (*new drawing*) acoustic wood wall panel details

- see bubbled revisions and new details/sheets as noted.

**architectural schedules and details**

**A-603.01**, door types and details, and **A-613.01**, schedule of doors and hardware

**A-623.01**, and **A-633.01** schedules of specified items

- see bubbled revisions including (new) ADA automatic door operator to replace existing "RR" hardware and revised LED ticker display lengths and mounting specifications.

**A-643.01 thru A-693.01** schedules of finishes and materials

- note bubbled finish schedule revisions
- note revised sheet designations and new sheet(s) to accommodate new finish information.

**A-703.01**, schedule of responsibilities; and **A-713.01** schedule of casework and furniture

- see bubbled revisions and note new sheet designations

**signage drawings**

**SN-103.01 thru SN-163.00**, signage plan, elevations, schedule, and details

- see bubbled revisions
- note "re-print" of **SN-133.00** to restore missing supergraphic text

**electrical drawings**

**E-203.01**, electrical lighting plan, and **E-213.01**, electrical power plan; and

**E-303.01**, electrical riser and schedules

- see bubbled revisions including additional lighting under service desk canopies, revised pendant light fixture specifications at reading room, and additional electrical outlets.
