VERY IMPORTANT:
THIS INFORMATION NEEDS TO BE ENTERED CORRECTLY!!!!

You must write your First name and Last name as it appears in your Bursar receipt.
First Name**: _____**
Last Name:_____
Organization: **CUNY Hunter College**
Department: (**Write the name of your Professor)**
Lab of Facility**: (Course Number and Section)**
Email Address: (**You must use your Hunter E-mail**)
* Phone number: **In the event I need to get in touch with you because of an error in your registration.**
*Students in the "College Now" Program can use their personal email account.

Note: You must provide your Hunter e-mail, <u>Failure to do so would be that you will not received your password and you will not be able to use Mathematica after 14 days.</u> If you do not know your e-mail address, you can go to http://snet.hunter.cuny.edu/smail/index.shtml and click on the E-mail Account lookup page link. Make sure you put the dashes but not the parenthesis in the SSN area 999-99-9999 and for the Date of Birth do not write the parenthesis but you have to write the forward slash (/) MM/DD/YYYY If you do not have a Hunter E-mail account, you will need to contact the Help Desk at 212-772-4357 (Monday –Friday 9am-5pm).

When you complete the Mathematica registration, press "Continue"

SERVICES & RESOURCES

Mathematica Site Registration

Thank you for your password request.

Your passwords have been sent to your site administrator.

If you have any questions about Wolfram Research or our products, please contact Wolfram Research Customer Service.

In U.S. and non-European countries:
email: register@wolfram.com
phone: +1-217-398-5151 (8 a.m.-5 p.m., M-F, U.S. Central Time)
fax: +1-217-398-1108

In Europe:
email: register@wolfram.co.uk
phone: +44-(0)1993-883400 (9 a.m.-5 p.m., M-F, GMT)
fax: +44-(0)1993-883800
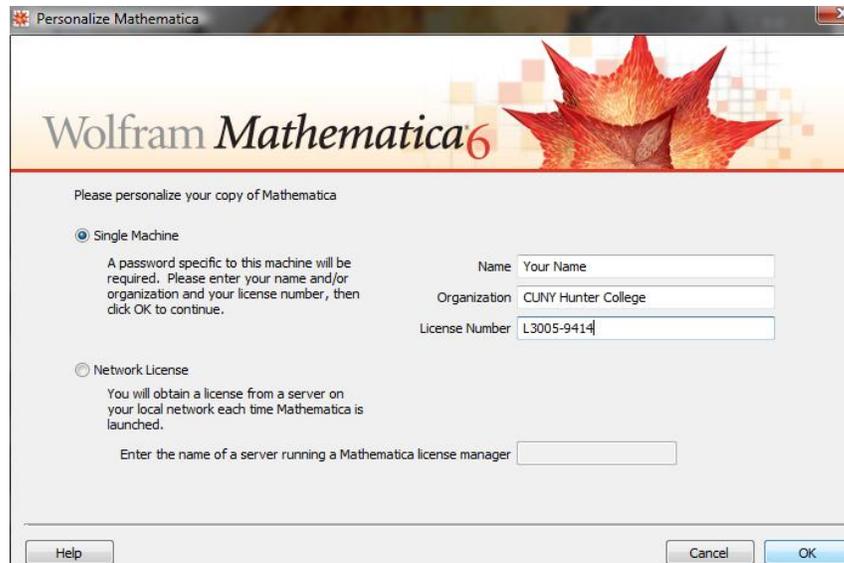

Get up to speed with *Mathematica* quickly!

Sign up for a certified *Mathematica* training class. See our calendar for more information.

**Once you complete the registration, you will be informed that your password has been sent to the Site Administrator.**

When you receive your Mathematica password from the Site Administrator:
(Note: You should usually receive this within 5 business days)

Click on "Enter Password"

Select: "Single Machine"
Then enter:
Your full name
The Organization is: CUNY Hunter College
The License Number is: L3005-9414
When done – Click "OK"

Now enter your Password you received via e-mail.

In your E-mail, you will find the content for your mathpass file:

2WK6J01   6140-82183-11542   L3005-9414   0160-428-803:2:4:20030111

Here is how you can read this info and find out which number is your password:
Machine name: 2WK6J01
MathID Number: 6140-82183-11542
License Number: L3005-9414
Password: 0160-428-803:2:4:20030111

Once you enter the unique password you received in your e-mail, click "OK."
Now your Mathematica software is registered.
This software will expire October 1, 2007
