Note: Each department in the School of Arts & Sciences may nominate one or more full-time faculty members by election among its full-time faculty members and one or more students by election among its student majors (or equivalent) for service on the search committee. Faculty members (including part-time faculty) and student majors (or equivalent) from this School may also be nominated by petition of 25 faculty members and 25 students, respectively.

The Hunter College Senate shall elect a panel of 8 faculty members and 6 student members from this pool of nominees in such a manner as to provide for the widest possible distribution of divisional and departmental representation on the committee. From this panel the President shall choose a search committee consisting of 4 faculty members and 3 students. Departments not represented on the committee shall be specifically invited to testify before the committee about their concerns and recommendations.

The Senate shall elect a panel of 3 from among all divisions other than the one for which the search is being conducted, from which the President shall choose a non-voting Chairperson. The Chairperson shall function as the executive officer of the committee, sending out all correspondence, distributing information on candidates, arranging interviews, etc.
