## Additional Notes

The total number of credits to satisfy the Environmental Studies Major is a minimum of 40 credits from the core and elective categories.

A minimum of 18 credits of approved elective courses are required to fulfill the major. Twelve (12) credits must be at the 300-level or higher. Courses not listed may be included in a student's concentration with permission of the Environmental Studies advisor.

It is strongly recommended that students discuss their choice of electives and other courses with the major's advisor and review progress every semester.
